Overview (ISTE)

The Indian Society for Technical Education (ISTE) is the leading National Professional non-profit making Society for the Technical Education System in our country with the motto of Career Development of Teachers and Personality Development of Students and overall development of our Technical Education System.

- Premier National Society for Teachers and Students of the Technical Education System with more than 102985 teacher and 5.5 lakh student members, 2410 Institutional Members, 1214 Faculty Chapters and 1322 Student Chapters
- Strategic partner of AICTE.

- Professional Refinement Programmes for faculty members of AICTE approved Technical Institutions sponsored by AICTE.
- Premier Agency operating MHRD, AICTE, MIT and International Projects.
- Reputed source for Information Dissemination through publications, seminars, workshops in Technical Education.
- Major Consultant for Educational Management, Institution Building, Career and Personality development of teachers and students respectively.
- Professional Society giving over more than 70 National and Regional Awards to Institutions, Teachers and Students for innovation and excellence in various areas of Engineering and Technology.
- Organisation having meaningful interaction among technical institutions of Degree/Diploma levels all over the Country.
- Preparation and Publication of Learning Materials and CDs in Electronics and Computers for Degree/Diploma Level Students.
- Learning Project for Working Professionals.
- ISTE-Srinivasa Ramanujan Mathematical Competitions.
- ISTE-SRM Short-Term Training Programmes.
- ISTE-PTU Faculty Development Programmes.

Goal

The ISTE committee provides quality training programmes to teachers and administrators of technical institutions to update their knowledge and skills in their fields of activity.

Activities

- To assist and contribute in the production and development of top quality professional engineers and technicians needed by the industry and other organizations.
- To provide guidance and training to students to develop better learning skills and personality.
- To organize short term activities on professional learnings.
- To coordinate with technical committee of the department to avoid duplication of activities.
- To identify programs necessary for chapter award.
- To arrange meetings with professional body.
- To invite professional body office bearers as guest speakers.
