

IETE Student Forum- ACE

Brief About IETE SF-ACE:

The **Institution of Electronics and Telecommunication Engineers (IETE)** is India's leading recognized professional society devoted to the advancement of science, technology, electronics, telecommunication and information technology. Founded in 1953, it serves more than 70,000+ members through 60+ centers/sub centers primarily located in India (3 abroad). The Institution provides leadership in scientific and technical areas of direct importance to the national development and economy. The Government of India has recognized IETE as a Scientific and Industrial Research Organization (SIRO) and also notified as an educational institution of national eminence. The IETE focuses on advancement of electronics and telecommunication technology. It conducts and sponsors technical meetings, conferences, symposiums, and exhibitions all over India, publishes technical and research journals and provides continuing education as well as career advancement opportunities to its members

Everything Begins with an Idea, Ideas provoke imagination. Imagination thrives for improvement and these together with proper implementation makes a dynamic Engineer. With this Idea we, **The Department of EXTC at ACE have inaugurated and established the ‘IETE student Forum’ in March 2020.** IETE will set a stage for all the budding engineers of EXTC department to perform ,to innovate ,to create and to Excel.
