Department of Electronics and Telecommunication Engineering

## Report on Special Lecture for 1st year EXTC students

A Special Lecture was conducted for FE EXTC students by Mrs. Joslyn Gracias and Mrs. Hemalata Mote from EXTC DEPT, ACE, under the guidance of HOD Prof. Mrs. Jyoti Kolap on 9th Feb 2021. The major objective of the session was to make students aware of the department activities, laboratories and most importantly enriching the students with the wide scope of Electronics and Telecommunication Engineers.

Alongside students were informed of employment in the industry with the essentials for placements and the earnest need to start preparation early. The students were encouraged to focus on the research, innovations and collect ideas for entrepreneurship. Interactive session with the faculties helped the students to acclimate to the core department environment and relieved many students' anxieties.
