Department of Electronics & Telecommunication Engineering

Report on

“Orientation of EXTC Second Year Class ”

Dated : 13th August 2020

Time: 11:30am -1:00pm

Organised By: EXTC Department ACE in collaboration with ISF-ACE

Google Meet Link : meet.google.com/hcy-rnie-aap

Coordinators: Prof.Mahalaxmi Palinje, Prof. Joslyn Gracias

The major objective of the program was to make students aware of the academic aspects of the course, department activities, laboratories and overview of the semester subjects.

The program began with a warm welcome speech by our TE student, followed by an motivating insight to the department by Prof. Jyoti Kolap, HOD of EXTC in the presence of other department faculties. The students were encouraged to focus on the research, innovations and entrepreneurship. Alongside students were enriched with the scope of employment in the industry with the essentials for placements and the earnest need to start preparation early.

The EXTC dept details were shared with students via power point presentation. Necessary information about the academic design was imparted to the students preparing them to meet the challenges of collegiate academics. The students were introduced to their faculty class incharges along with batch wise mentors. Each second year class teacher briefly defined the content of the second year subjects.

The IETE student forum members, introduced IETE and encouraged students to take part in their activities. Interactive session with seniors helped the students to acclimate to the core department environment and relieved many students' anxieties.

The event was attended by over 100 plus enthusiastic students in addition to the department teaching faculties and ISF members.
