A Report of Global Peace & Sustainable Development Session

11 April 2021:

A Special Induction Lecture for First Year Engineering students was organized through Zoom on 11 April 2021 from 9 am to 12 :30 pm. The topic of the lecture was **Global Peace & Sustainable Development**. The Speaker of the program was Dr. Priya Sawant, an author, and Industrial Psychologist. The prime focus of the lectures was to create awareness among the students and educate them about the Global Peace & Sustainable Development. 236 Students from First Year attended the program. The lectures was followed by question answer sessions and ended with vote of thanks.
