ATHARVA EDUCATIONAL TRUST'S ATHARVA COLLEGE OF ENGINEERING

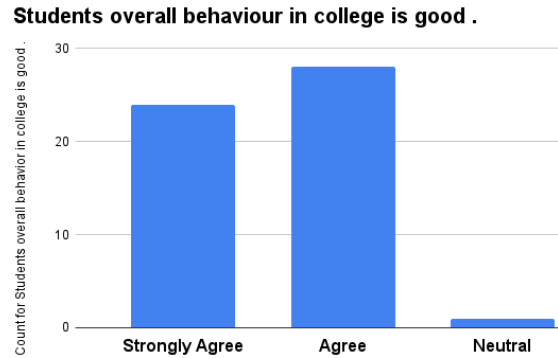

(Approved by AICTE, Recognized by the Government of Maharashtra
& Affiliated to University of Mumbai)
Department of Computer Engineering
Academic Year 2023-24

AET's Faculty feedback for students

1) Students' overall behavior in college is good.

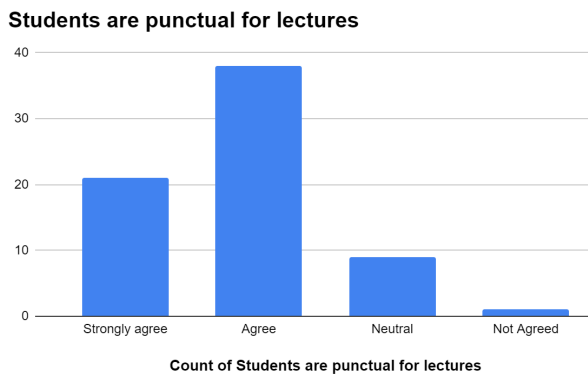

2022-2023

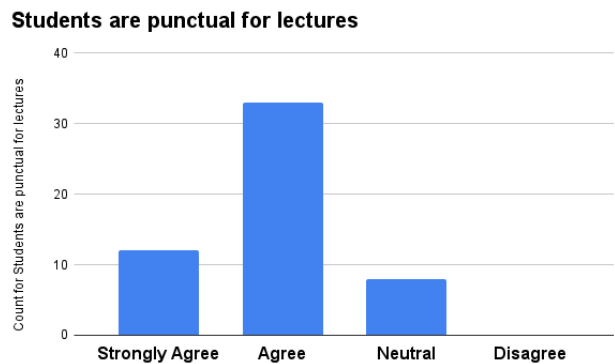

2023-24

- The faculty satisfaction ratio for student behavior has been consistent with the previous academic year.
- Strongly agree percentage is more than 70%
- None of the faculty members disagree with the fact that students' behavior in college is good.

2) Students are punctual for lectures

2022-2023

2023-24

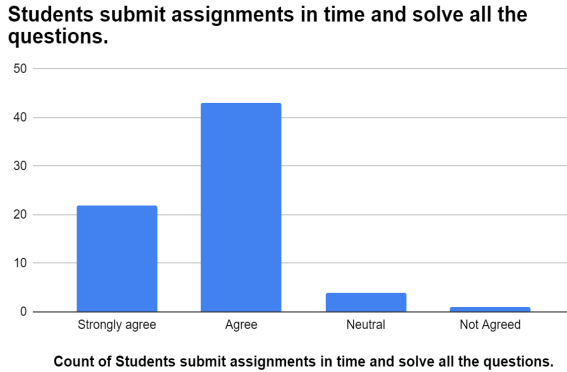

- The number of students who are punctual for the lectures everyday has gradually increased and the majority of the faculty members agree with the same.
- In 2023-24 none of the students disagreed or strongly disagreed.

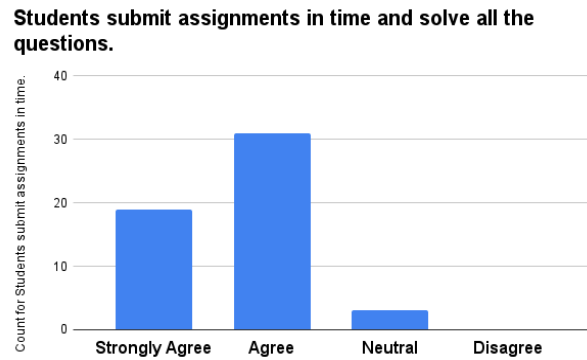

ATHARVA EDUCATIONAL TRUST'S ATHARVA COLLEGE OF ENGINEERING

(Approved by AICTE, Recognized by the Government of Maharashtra
& Affiliated to University of Mumbai)
Department of Computer Engineering
Academic Year 2023-24

3) Students submit assignments in time and solve all the questions.

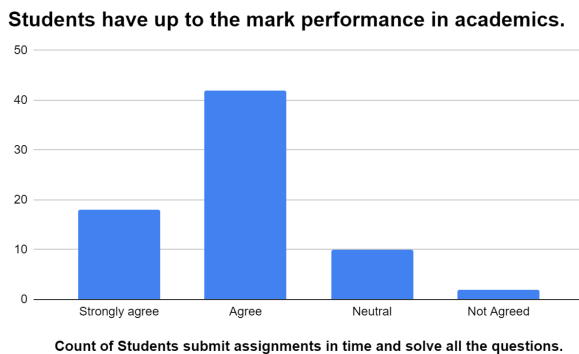

2022-23

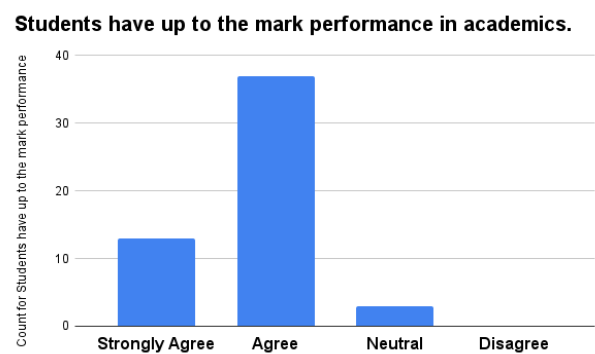

2023-24

- Every semester, for each subject, 2-3 assignments are given to the students and they are graded for their assignment performance.
- In the academic year 2023-24 all the faculty members agree that students solve all the questions given as assignments and submit it on time.

4) Students have up to the mark performance in academics.

2022-23

2023-24

- Various assessments like lab exercises, term tests, assignments, mini-projects are conducted to evaluate the learning of the student. All the faculty members agree that the performance of students in academics on an average has increased in comparison to the previous year.
- The percentage of faculty members who agree has increased from 82% to 90% in 2023-24.

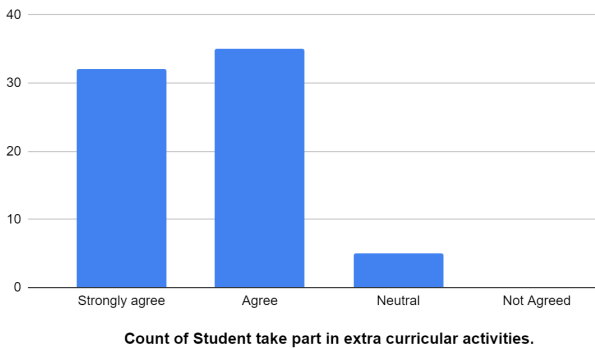

ATHARVA EDUCATIONAL TRUST'S
ATHARVA COLLEGE OF ENGINEERING

(Approved by AICTE, Recognized by the Government of Maharashtra
& Affiliated to University of Mumbai)
Department of Computer Engineering
Academic Year 2023-24

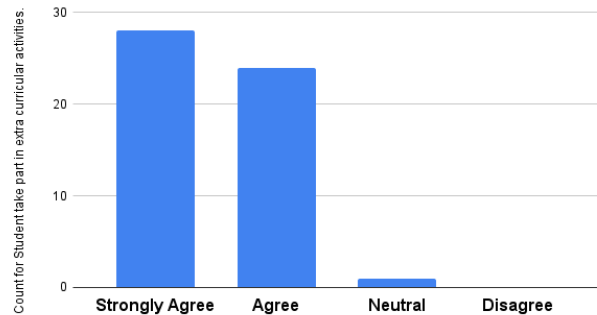

5) Students take part in extracurricular activities.

Student take part in extra curricular activities.

2022-23

Student take part in extra curricular activities.

2023-24

- Students take part in various college level and inter college level extra-curricular activities like debates, project exhibitions, hackathons, cultural activities and faculty members encourage them to take part in such activities to aid them in their overall development.
- There has been an improvement in the strongly agree to agree ratio in the academic year 2023-24.
- The percentage of faculty members with a neutral reaction has also decreased.

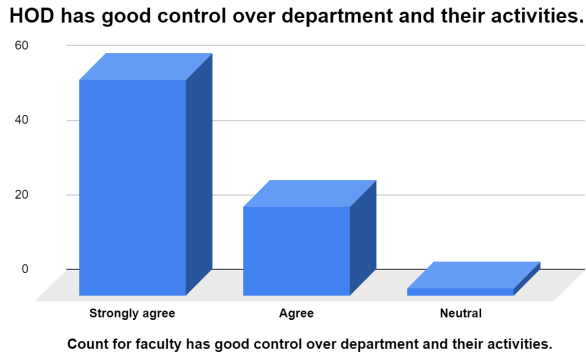

ATHARVA EDUCATIONAL TRUST'S ATHARVA COLLEGE OF ENGINEERING

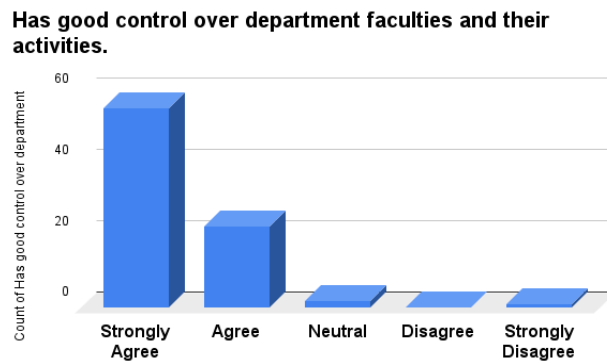

(Approved by AICTE, Recognized by the Government of Maharashtra
& Affiliated to University of Mumbai)
Department of Computer Engineering
Academic Year 2023-24

AET's HOD Feedback by faculties

1) HOD has good control over department faculties and their activities.

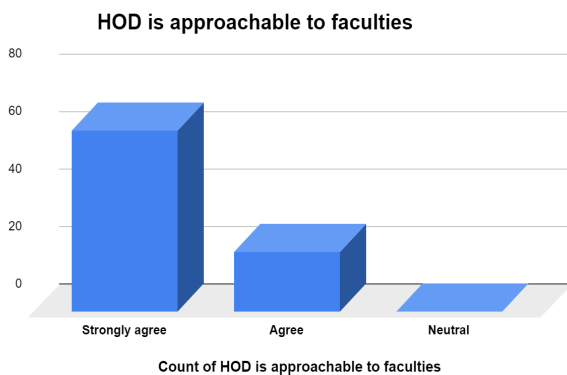

2022-2023

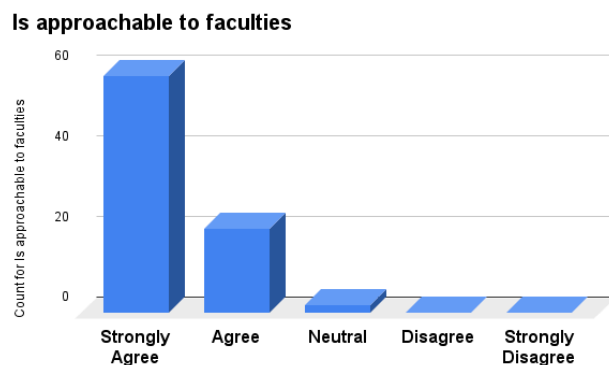

2023-24

- More than half of the faculty members strongly agree to the fact that the HOD has got good control over the faculty members of the departments and the activities taking place in the current semester.

2) HOD is approachable to Faculties.

2022-2023

2023-24

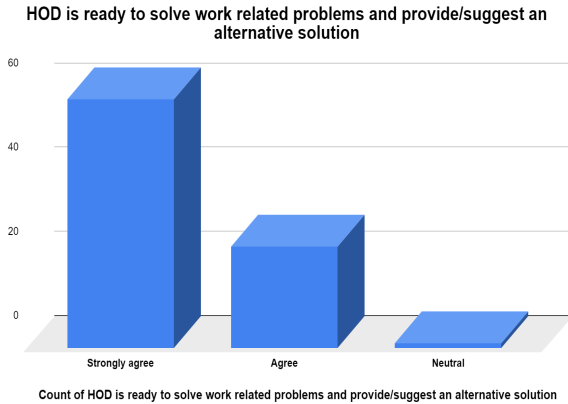

- Faculty members find the HOD more approachable in the current academic year and is able to resolve issues and doubts amicably.
- Number of faculty members who strongly agree has increased in the current academic year.

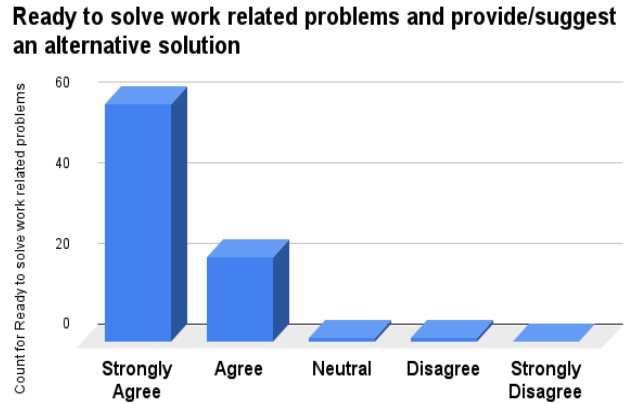

**ATHARVA EDUCATIONAL TRUST'S
ATHARVA COLLEGE OF ENGINEERING**

(Approved by AICTE, Recognized by the Government of Maharashtra
& Affiliated to University of Mumbai)
Department of Computer Engineering
Academic Year 2023-24

3) HOD is ready to solve work related problems and provide/suggest an alternative solution.

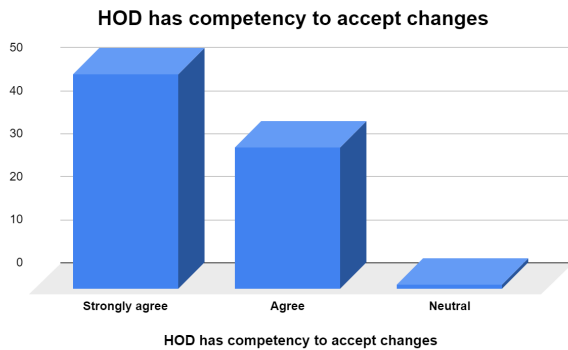

2022-2023

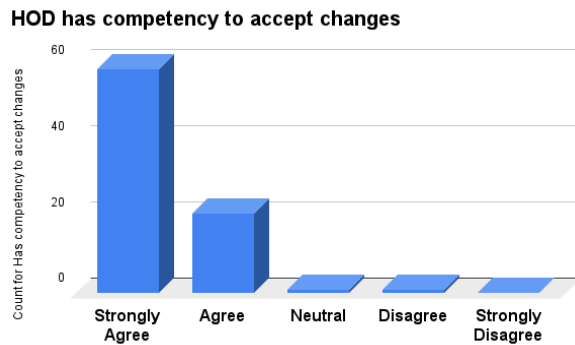

2023-24

- Any tasks related to work assigned to the faculty members are monitored and mentored by the HOD. Faculty members believe that the HOD is more willing to address problems pertaining to these jobs and, in some situations, offer alternative solutions.
- Majority of faculty members agree that HOD is ready to solve work related problems and provide/suggest an alternative solution.

4) HOD has competency to accept changes.

2022-2023

2023-24

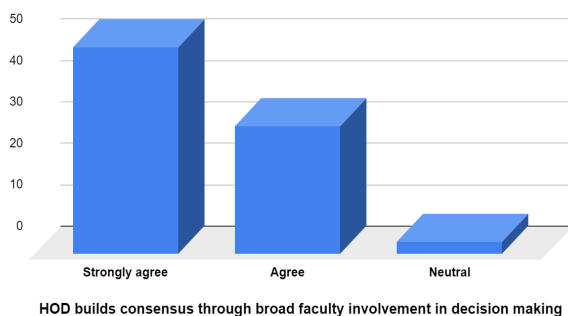

ATHARVA EDUCATIONAL TRUST'S ATHARVA COLLEGE OF ENGINEERING

(Approved by AICTE, Recognized by the Government of Maharashtra
& Affiliated to University of Mumbai)
Department of Computer Engineering
Academic Year 2023-24

- The faculty members strongly agree to the fact that the HOD, in many instances, has proved competency when it comes to positive changes in the department in the current academic year.
- There has been a remarkable improvement in the strongly agree to agree ratio in 2023-24.
- More than 90% faculty members still strongly agree that the Head of Department has competency to accept changes.

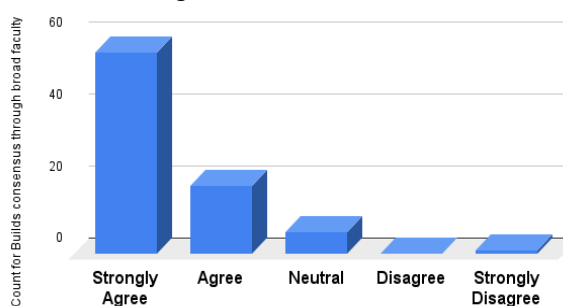

5) HOD builds consensus through board faculty involvement in decision making.

HOD builds consensus through broad faculty involvement in decision making

2022-2023

HOD builds consensus through broad faculty involvement in decision making

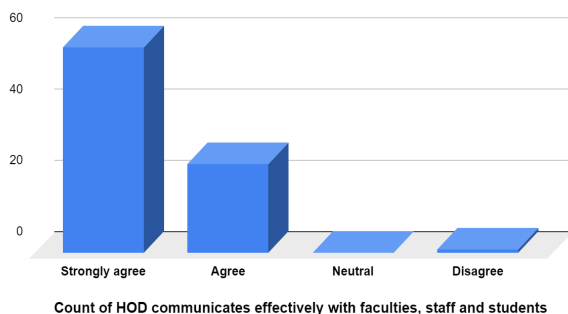

2023-24

- Before making a significant modification or decision that affects the department, the Head of Department makes sure that the majority of the faculty members agree.

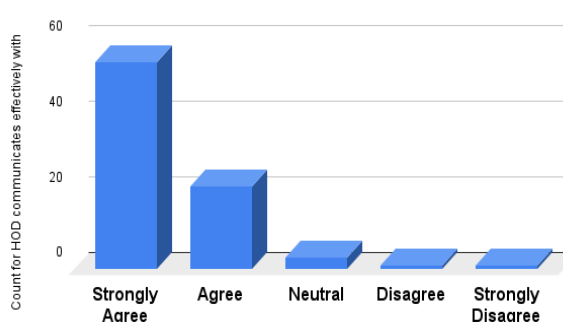

6) HOD Communicates effectively with faculty, staff and students.

HOD communicates effectively with faculties, staff and students

2022-2023

HOD communicates effectively with faculties, staff and students

2023-24

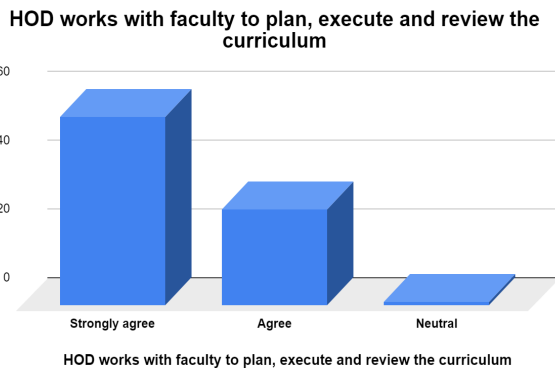

ATHARVA EDUCATIONAL TRUST'S ATHARVA COLLEGE OF ENGINEERING

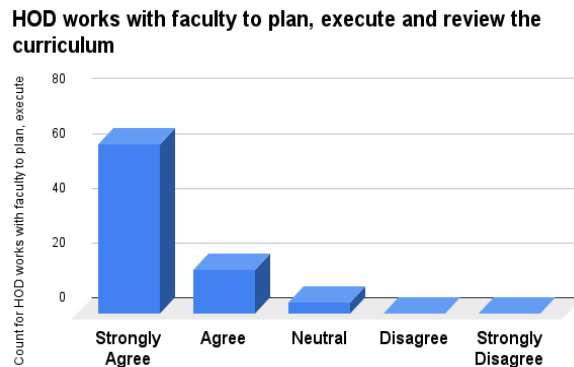

(Approved by AICTE, Recognized by the Government of Maharashtra
& Affiliated to University of Mumbai)
Department of Computer Engineering
Academic Year 2023-24

- Almost all the faculty members strongly agree that the HOD communicates effectively with all the faculty members, students and staff of the department and it is found to have been improved in this semester.

7) HOD Works with faculty to plan, execute and review the curriculum

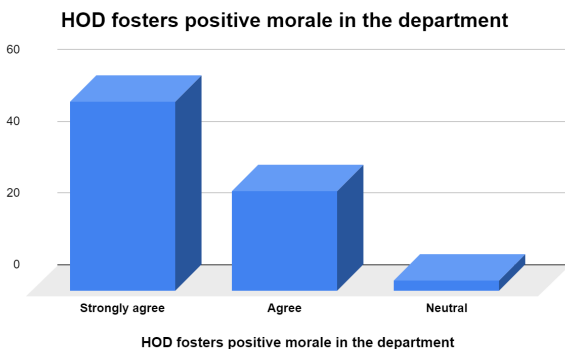

2022-2023

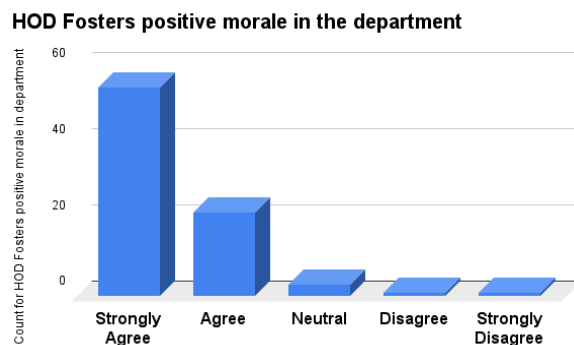

2023-24

- The Head of Department (HOD) consults with faculty members to develop, implement, and assess the course curricula and make appropriate judgments. This year, the faculty members have observed it more in action.

8) HOD Fosters positive morale in the department.

2022-2023

2023-24

- Positive morale is promoted and boosted among faculty members through department

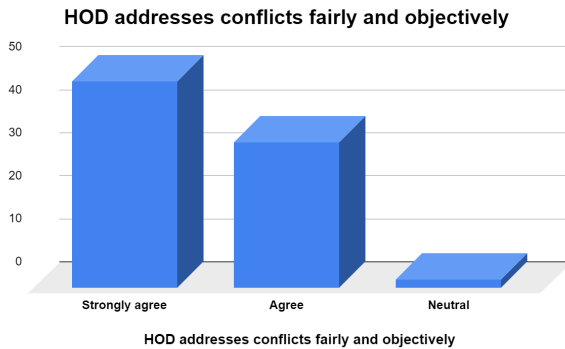

ATHARVA EDUCATIONAL TRUST'S ATHARVA COLLEGE OF ENGINEERING

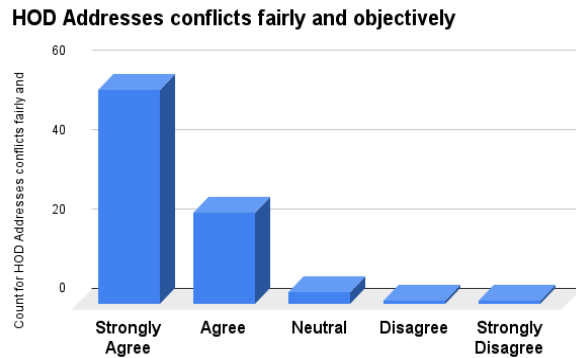

(Approved by AICTE, Recognized by the Government of Maharashtra
& Affiliated to University of Mumbai)
Department of Computer Engineering
Academic Year 2023-24

meetings as well as individual meetings.

9) HOD Addresses conflicts fairly and objectively

2022-2023

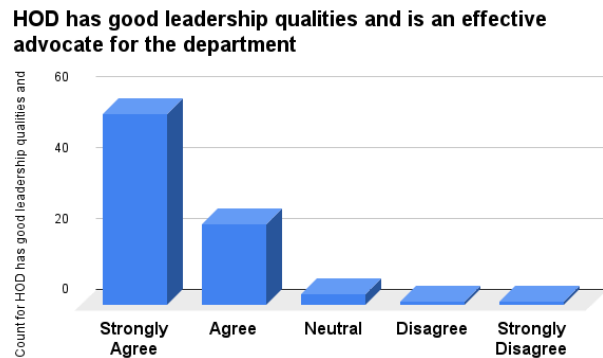

2023-24

- Almost all faculty members strongly agree that The Head of Department (HOD) handles disputes in the department on matters like work assignment, task fulfillment, etc. in an impartial and fair manner.

10) HOD has good leadership qualities and is an effective advocate for the department.

2022-2023

2023-24

- The majority of the time, the department's faculty members observe that the head of department possesses strong leadership traits and has demonstrated an ability to effectively represent the department.

Academic Year 2023-24

AET's Student Feedback for Faculties

1) Faculties Feedback [Use of innovative learning techniques in class are excellent]

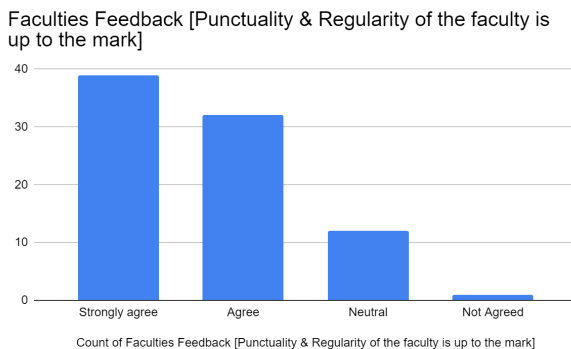

2022-2023

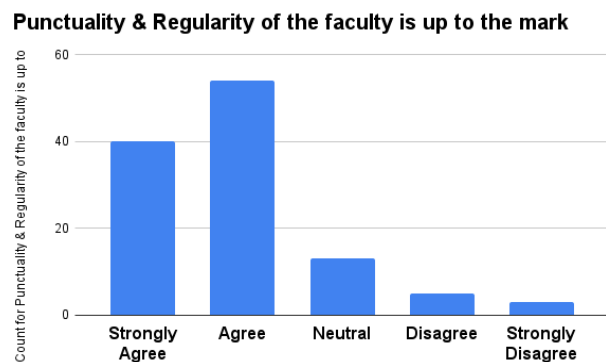

2023-24

- Most of the students agree that more innovative learning methods were employed by faculty members during lectures in the current academic year as compared to the previous ones.

2) Faculties Feedback [Punctuality & Regularity of the faculty is up to the mark]

2022-2023

2023-24

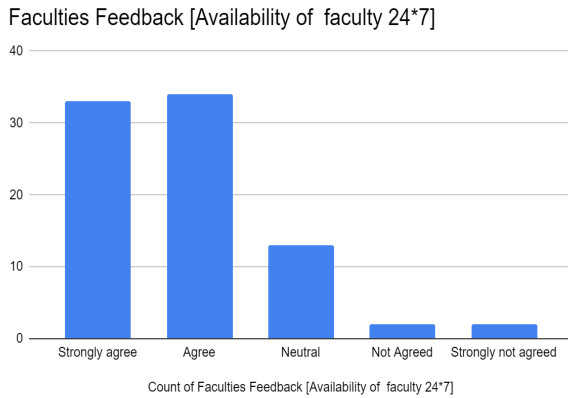

- Almost 90% of the students agree that the faculty members are punctual and regular in class and it has increased in the current semester.
- The percentage of students who agree and strongly agree has increased in the current academic year.

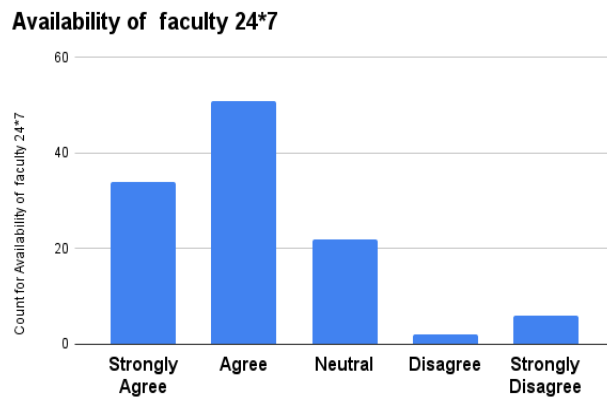

ATHARVA EDUCATIONAL TRUST'S ATHARVA COLLEGE OF ENGINEERING

(Approved by AICTE, Recognized by the Government of Maharashtra
& Affiliated to University of Mumbai)
Department of Computer Engineering
Academic Year 2023-24

3) Faculties Feedback [Availability of faculty 24*7]

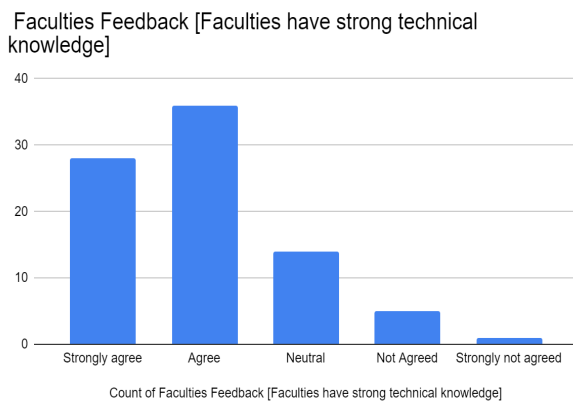

2022-2023

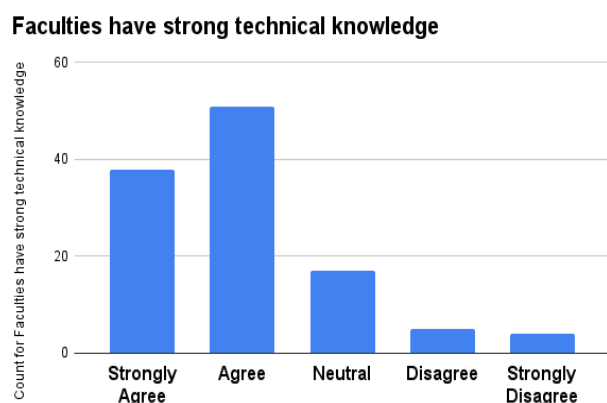

2023-24

- Students largely agree that faculty members are ready to answer any questions they may have and provide assistance, whether it be with mini-projects, lab exercises, or difficulties with the subject matter. However there are very few students who disagree or strongly disagree.

4) Faculties Feedback [Faculties have strong technical knowledge]

2022-2023

2023-24

- This semester, students perceive the faculty members to be more technically proficient. Comparing this semester to the previous one, there has been improvement in the strongly agree to agree ratio.

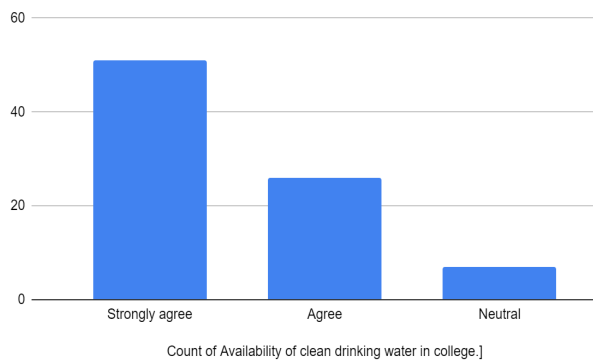

ATHARVA EDUCATIONAL TRUST'S ATHARVA COLLEGE OF ENGINEERING

(Approved by AICTE, Recognized by the Government of Maharashtra
& Affiliated to University of Mumbai)
Department of Computer Engineering
Academic Year 2023-24

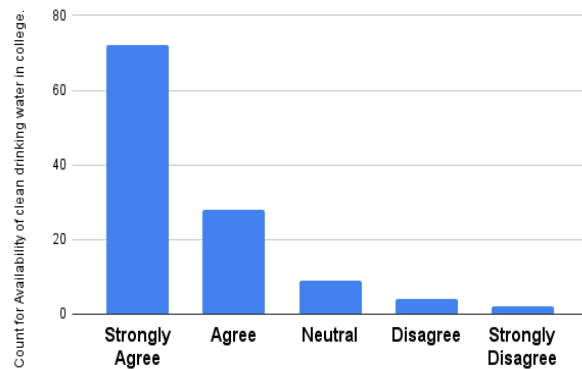

5) Facilities Feedback [Availability of clean drinking water in college.]

Facilities Feedback [Availability of clean drinking water in college.]

2022-2023

Availability of clean drinking water in college.

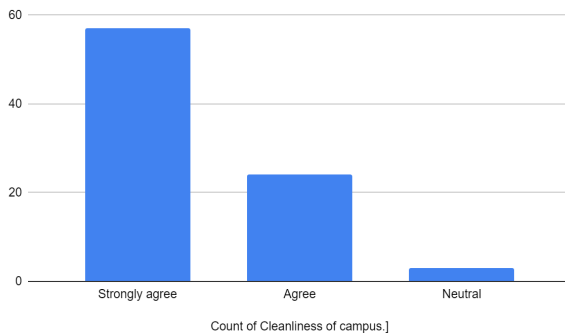

2023-24

- A majority of students firmly concur that they usually have access to safe drinking water. More than 80% of students strongly agree.
- There has been a significant increase in the number of students who strongly agree to the fact that clean drinking water is available for the students.

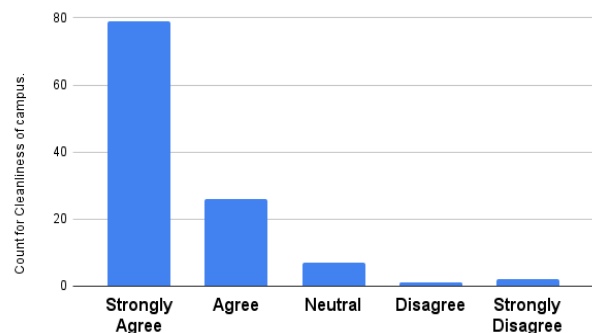

6) Facilities Feedback [Cleanliness of campus]

Facilities Feedback [Cleanliness of campus.]

2022-2023

Cleanliness of campus.

2023-24

- With respect to the overall cleanliness of campus, most of the students strongly agree that the campus is clean and there are hardly any students who disagree with the same.

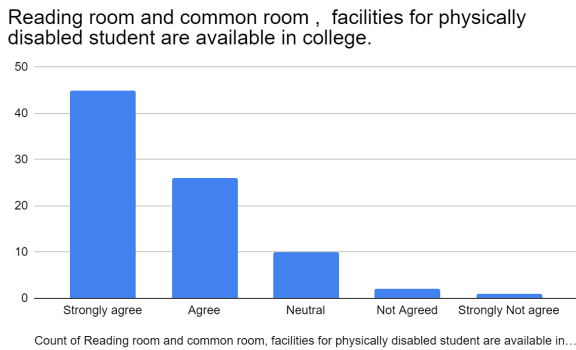

ATHARVA EDUCATIONAL TRUST'S ATHARVA COLLEGE OF ENGINEERING

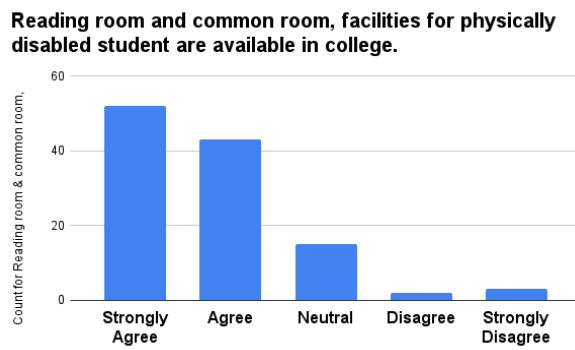

(Approved by AICTE, Recognized by the Government of Maharashtra
& Affiliated to University of Mumbai)
Department of Computer Engineering
Academic Year 2023-24

- It was found that the college has always maintained cleanliness and went ahead with extra precautions during pandemic. Less than 5% of students disagree that the campus is generally clean.

7) Reading room and common room facilities for the physically challenged student are available in college.

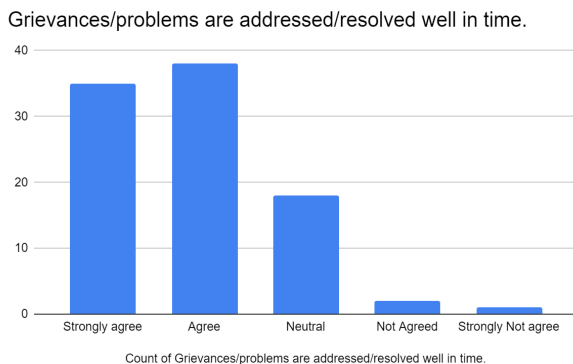

2022-2023

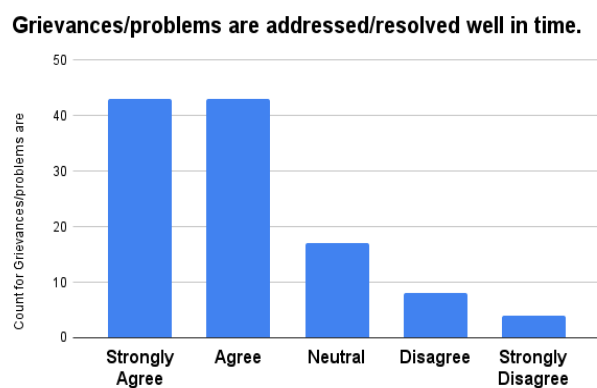

2023-24

- Almost 90% of the students agreed that the college is equipped with facilities for physically challenged students.
- Strongly agree to agree ratio has improvised in the current academic year .

8) Grievances/problems are addressed/resolved well in time.

2022-2023

2023-24

ATHARVA EDUCATIONAL TRUST'S
ATHARVA COLLEGE OF ENGINEERING

(Approved by AICTE, Recognized by the Government of Maharashtra
& Affiliated to University of Mumbai)
Department of Computer Engineering
Academic Year 2023-24

- Problems and grievances related to facilities are addressed and resolved regularly by the people concerned. Especially during the pandemic, students had a lot of queries to which solutions were issued timely by the concerned faculties and people in on-line mode.

9) Canteen Facilities

The canteen's amenities have been upgraded, and the menu now includes more foods. However, overall, the canteen has been maintained with good hygiene and has been updated consistently.

10) Classroom facility

There has been an improvement to classrooms. There are now more fans in every classroom. In addition to this the college has installed many new smart classroom facilities.

11) Playground

Playground facility is provided in the college for the students especially for sports, events and their practices. Various sports activities and college's annual fests like rhythm are organized in the playground.

12) Washroom

The restrooms on each floor have also been upgraded and well maintained. Every day, the cleaning and sanitization are monitored.

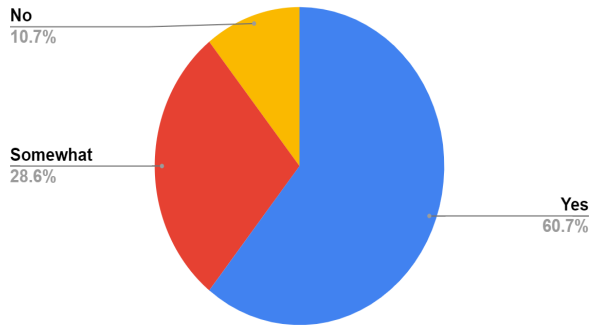

13) Do you find your syllabus up to the mark with industry standards?

ATHARVA EDUCATIONAL TRUST'S ATHARVA COLLEGE OF ENGINEERING

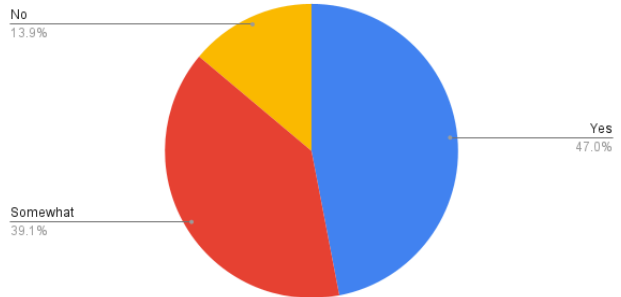

(Approved by AICTE, Recognized by the Government of Maharashtra
& Affiliated to University of Mumbai)
Department of Computer Engineering
Academic Year 2023-24

Do you find your syllabus up to the mark with industry standards?

2022-23

Do you find your syllabus up to the mark with industry standards?

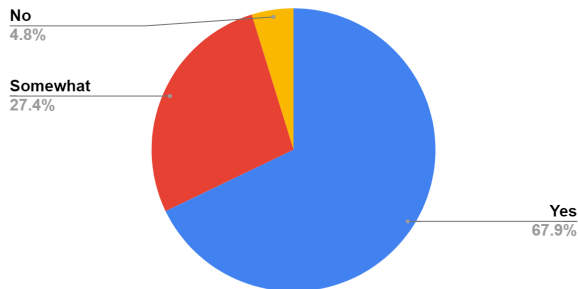

2023-24

- Mumbai University refreshes the syllabus every four years, and through workshops and guest lectures, a variety of new topics that are not covered in the syllabus are presented. The responses to the syllabus are essentially the same.

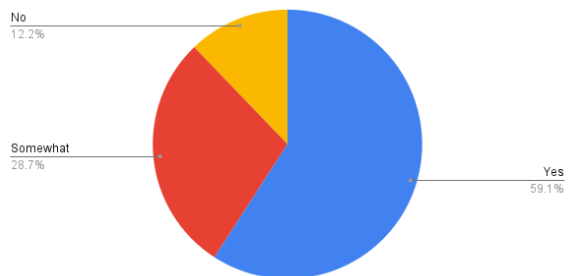

14) Can you apply principles studied in theory for practical situations?

Can you apply principles studied in theory for practical situations?

2022-23

Can you apply principles studied in theory for practical situation?

2023-24

- More than 50% of students agree that they are able to apply the principles studied in theory for practical situations.

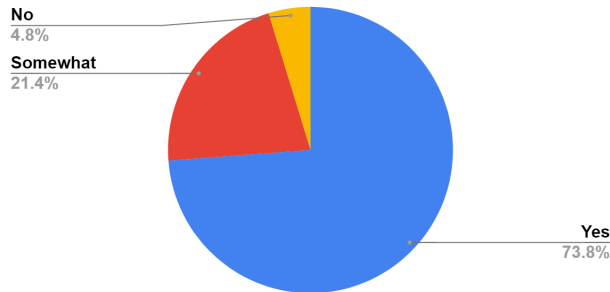

15) Are you able to apply the knowledge gained to implement practically and environment friendly mini/major projects as a part of the syllabus?

ATHARVA EDUCATIONAL TRUST'S ATHARVA COLLEGE OF ENGINEERING
