INTRODUCTION

An induction programme is a significant process for bringing students into the Institute & provides an introduction to the working & curricular environment inside the institute. An induction programme is intended to invoke the student to be an all rounder, integrated member of college because we believe that it is essential to understand how to march towards the goal of becoming a quality engineer.

Atharva College of Engineering organised FE Student Induction Program 2020-21 online through G-meet due to Corona Pandemic. As per the guidelines of AICTE college has covered all activities. The induction program consisted of many interesting activities like human Value, motivational lectures, language activities, talent hunt, social sensitization; soft skills based activities, expert lectures, group discussion and debate, career opportunities lectures, sports related lectures etc.

Human Value Sessions Conducted By University Of Mumbai

25 January 2021 to 29 January 2021

Special Induction Lectures for First Year Engineering students were organized through Google meet on Human Values and Ethics by **UNIVERSITY OF MUMBAI** . The induction lectures were organised from 25 January 2021 to 29 January 2021.

The prime focus of the lectures was to create awareness among the students and educate them about the importance of Human Values and Ethics in life.

Students Council Session

06 February 2021

The Induction program for First Year Engineering students was organized through Google meet on 06 February 2021 during 2:00 pm to 4:00 pm in two batches. F E students were addressed by Principal Dr S P Kallurkar , Heads of Departments, Vice principal and student council members.

In the first session of the Induction program students and parents were oriented about institute policies, processes, practices, culture and values. Students were informed of the first year academic program, academic calendar, Assessment plan, grading information, university ordinances, rules and regulations related to academics.

Students were made comfortable in the new environment of being a professional learner. They were motivated to open them up, set a healthy daily routine, and create bonding in the batch as well as between faculty and students.

the same. Post lecture question answer session was conducted related to the IT sector and technology.

ATHARVA EDUCATIONAL TRUST'S ATHARVA COLLEGE OF ENGINEERING

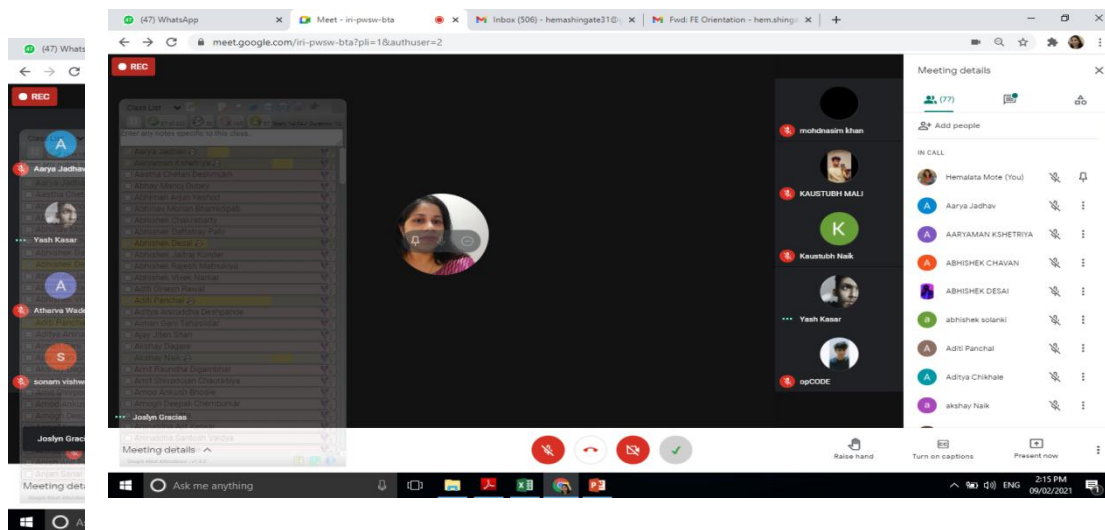

(Approved by AICTE, Recognized by Government of Maharashtra
& Affiliated to University of Mumbai - Estd. 1999 - 2000)

Date: 9 February 2021

A Special online Lecture was conducted for **FE EXTC** students by Mrs. Joslyn Gracias and Mrs. Hemalata Mote from EXTC DEPT, ACE, on 9th Feb 2021. At 2:10 pm.

The major objective of the session was to make students aware of the department activities, laboratories and most importantly enriching the students with the wide scope of Electronics and Telecommunication Engineers.

Alongside students were informed of employment in the industry with the essentials for placements and the earnest need to start preparation early. The students were encouraged to focus on the research, innovations and collect ideas for entrepreneurship. Interactive session with the faculties helped the students to acclimate to the core department environment and relieved many students' anxieties.

Date: 10 February 2021

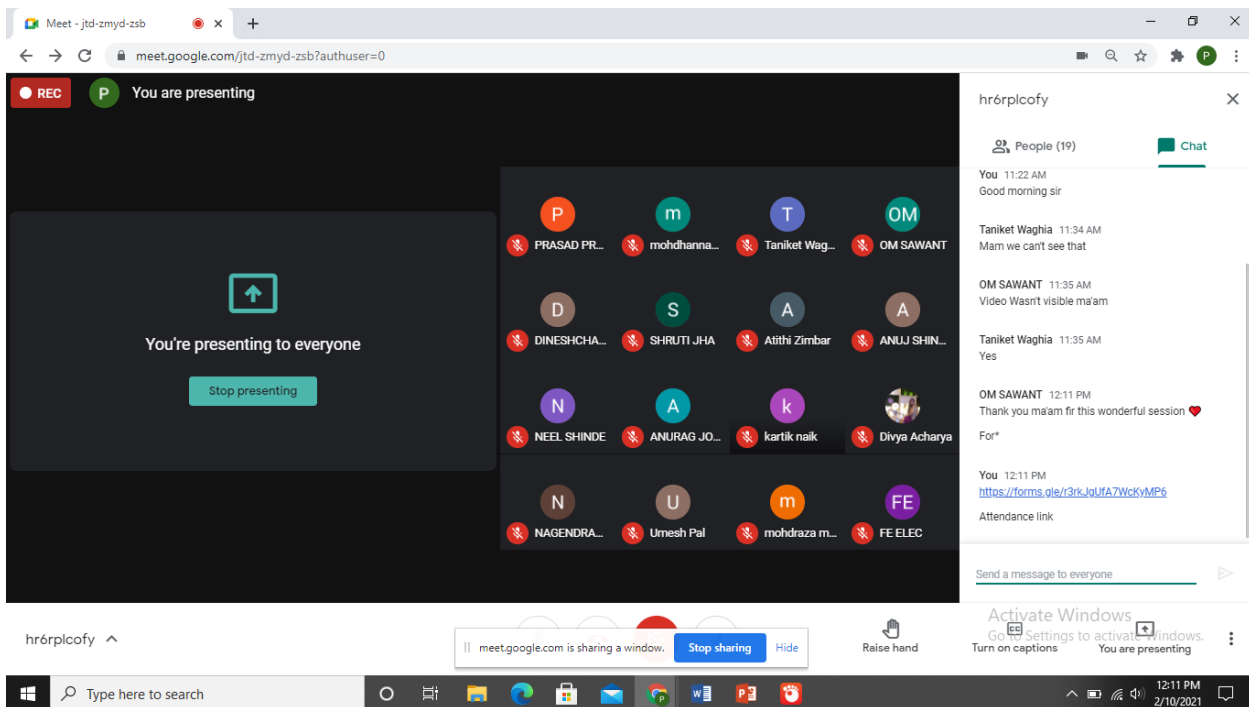

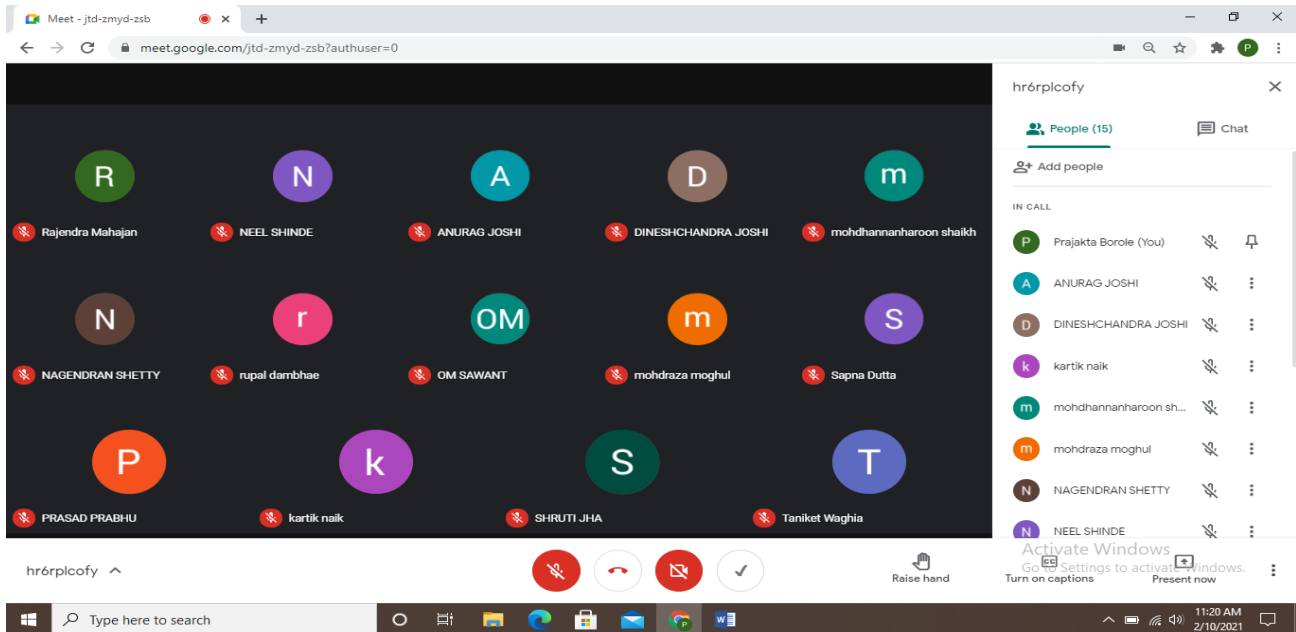

A special Online lecture was conducted on **“Emerging Trends in Electronics”** for students of **F.E. Electronics Engineering** students on 10th February 2021 at 11.20 am by Prof. Prajakta Borole where students were made aware of importance of Electronics branch, Industrial revolution, Industry 4.0, emerging technologies in branch of Electronics, Tipping point survey by World Economic Forum, Job opportunities, Scope of Electronics, Industry expectations from fresh graduates and steps to become industry ready. Students

(Approved by AICTE, Recognized by Government of Maharashtra
& Affiliated to University of Mumbai - Estd. 1999 - 2000)

Date : 11 February 2021

A special online lecture was conducted on **“Future and Present trends in Electrical Engineering”** for students of **F.E. Electrical Engineering** on 11th February 2021 at 1:00 p.m. by **Prof. Karuna Nikum**.

The speaker focused on different aspects of Electrical Engineering. Students were updated with different Laboratories, recent trends and technologies, upcoming technologies and career opportunities in the field of Electrical Engineering. Students were motivated and encouraged to utilize resources provided by college and get involved in activities carried out for them. Interactive session with the speaker helped the students to understand the various activities and work of the department.

Date : 12 February 2021

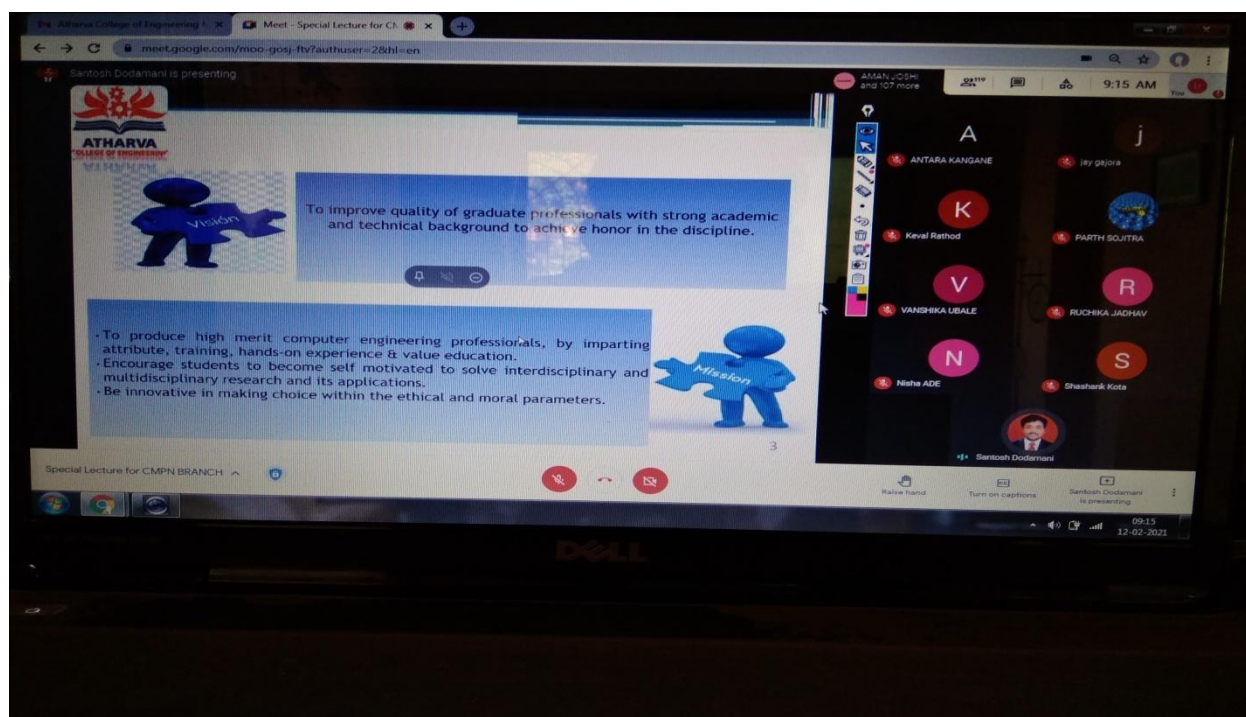

A special online lecture was conducted on **“Future and Present trends in Computer Engineering for students of F.E. Computer Engineering by Prof. Santosh Dodamani**, on 12th February 2021, 9am to 10.00am.

ATHARVA EDUCATIONAL TRUST'S ATHARVA COLLEGE OF ENGINEERING

(Approved by AICTE, Recognized by Government of Maharashtra
& Affiliated to University of Mumbai - Estd. 1999 - 2000)

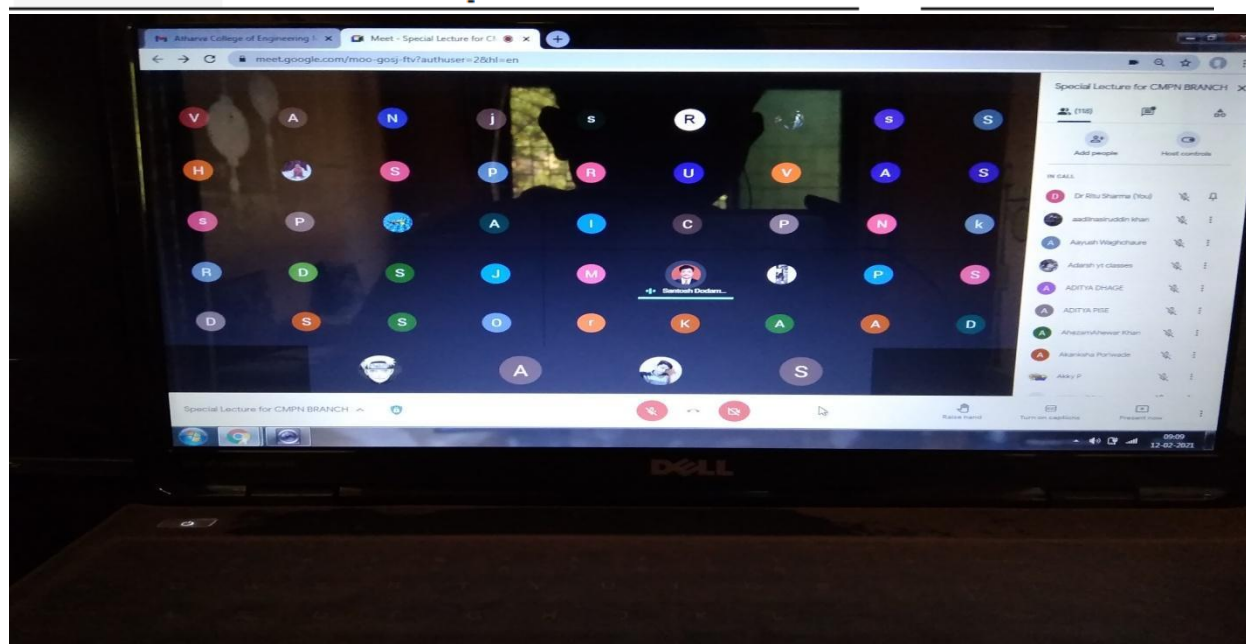

The major objective of the session was to make students aware of the department activities, laboratories and most importantly enriching the students with the wide scope of **Computer Engineering**. Students were informed about job opportunities in industry with the essentials for placements and the earnest need to start preparation early. Prof. Santosh briefly explained about some activities like Hackathons, Project based learning, IMac Training and the Internships along with placement activities. The students were encouraged to focus on the research, innovations and collection of ideas for entrepreneurship. Interactive session with the speaker helped the students to acclimate to the core department environment and relieved many students' anxieties.

ART OF LIVING SESSION

Date : 19 February 2019

Department of Humanities and Applied Sciences organized a special Art Of Living session, 'Enchant The Real High' for First year students on 19 February 2019, Friday at 11 a.m. under the valuable guidance of Principal Dr. Shrikant Kallurkar and HOD Dr. Ritu Sharma. Prof. Rajendra Mahajan introduced the program and the speaker to the participants.

Art Of Living:- 'Enchant The Real High' is an educational and awareness project of, by and for Students on menaces of Substance addiction among students in Colleges. Art Of Living - Founded in 1981 by Sri Sri Ravi Shankar Ji. The Art of Living is an educational and humanitarian movement engaged in stress-management and service initiatives. The organization operates globally in 156 countries and has touched the lives of over 400 million people. The Art of Living is a multi-faceted organization with one of the largest volunteer bases in the world working for peace on the planet for the past 40 Years. The Art of Living community is diverse and attracts people from all walks of life. It explores the real and right way of achieving the heightened state of mind, learn and become

ATHARVA EDUCATIONAL TRUST'S
ATHARVA COLLEGE OF ENGINEERING

(Approved by AICTE, Recognized by Government of Maharashtra
& Affiliated to University of Mumbai - Estd. 1999 - 2000)

aware about alarming facts about substance addiction and take a right choice for yourself and your friends

The chief guest of the program was Mr. Ramnik Bansal, who holds a B.Tech in Electrical Engineering from IIT Bombay and MBA from IIM Bangalore. He has been faculty at The Art of Living since 2002. A spreadsheets & number-crunching expert, he also provides training on Analytics. He gets invited for inspirational public speaking by premier institutes and corporate. His core competencies are Personal Mentoring, Leadership Development, Team Building, Life Skills Training, Public Speaking, Strategic Planning and Analytics. Life Coach, Public Speaker, and Youth Mentor in India guided students in a amazing way. His speech was so influential that it will work as a Lighthouse , which shows the path to the aimlessly wandering ships.

The students were very much impressed by his way of preaching. Students ' feedback itself revealed that they understood the speaker's motto.

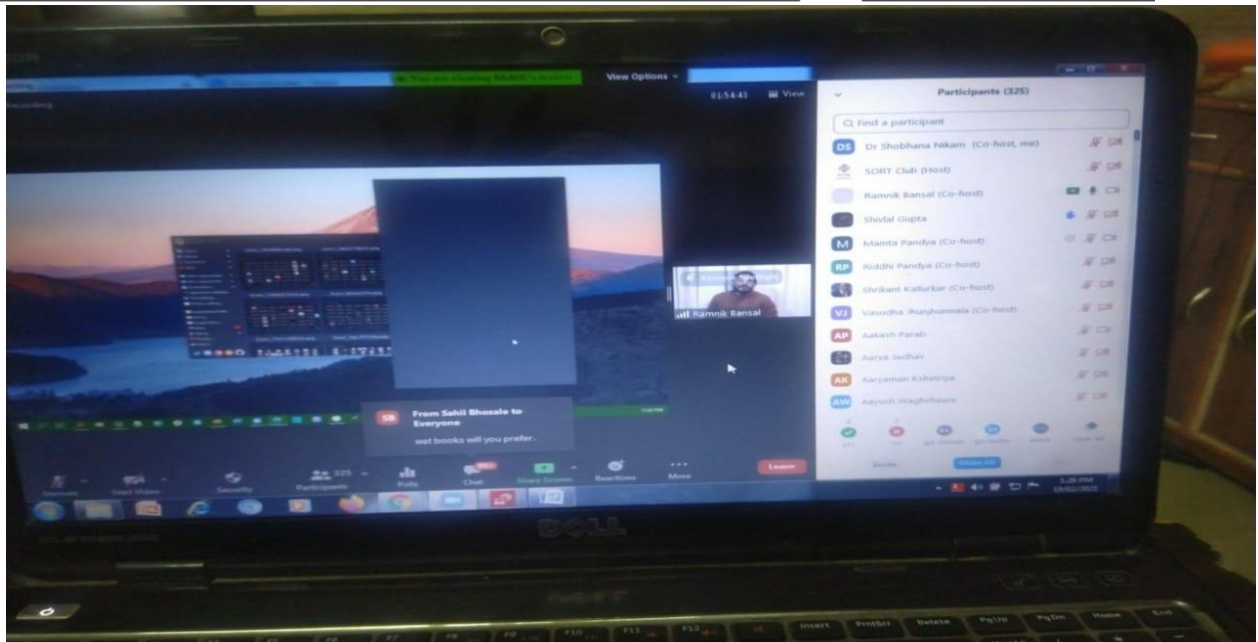

351 students from the First Year all branches were present for the program. All teaching faculty members of the Department of Humanities and Applied Sciences were a part of this program.

The program was successfully ended with Votes of thanks which was delivered by Dr. Shobhana Nikam.

Gratitude

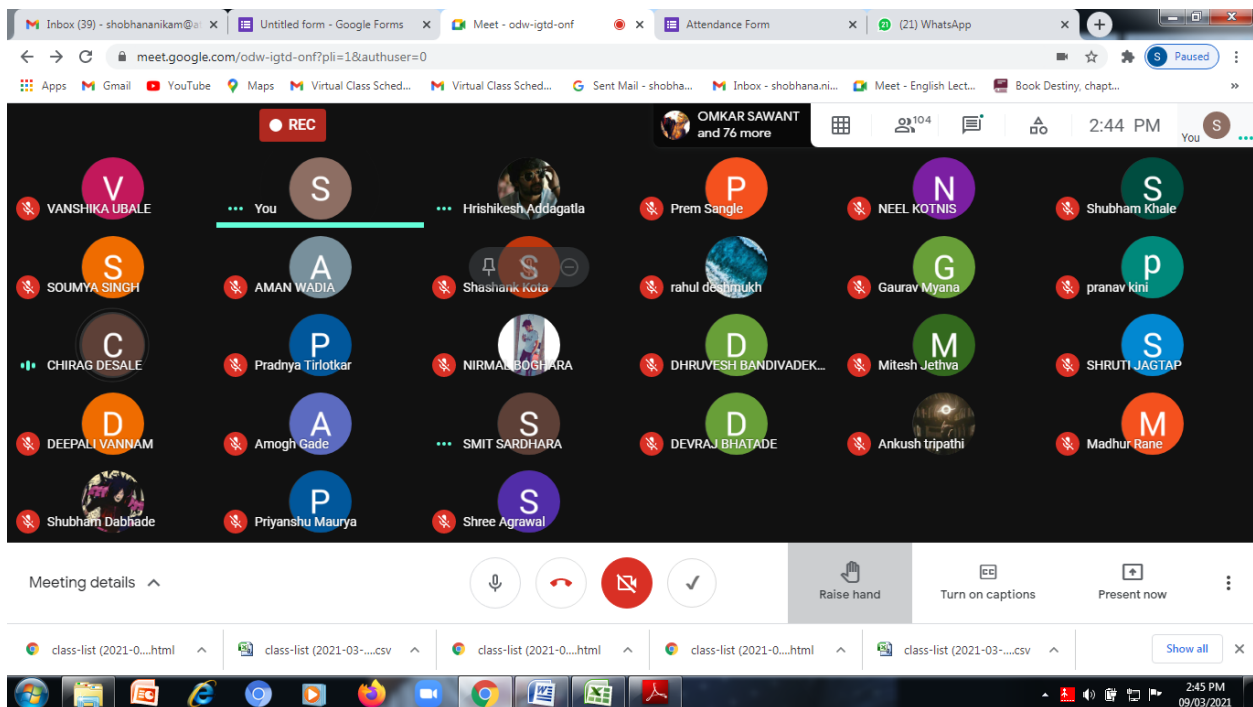

ATHARVA EDUCATIONAL TRUST'S ATHARVA COLLEGE OF ENGINEERING

(Approved by AICTE, Recognized by Government of Maharashtra
& Affiliated to University of Mumbai - Estd. 1999 - 2000)

We should try to know at least one person whom we do not know well who is in the long chain of people helping to get our meal, or in maintaining living condition or in educating us, etc.

Get to know the person, his or her family, background, current state of thinking and well-being.

FRIDAY 12/3/2021- TIME_ 1:00 to 2:00 students –106

SWOT –discussion

Students spoke about their opinions . They expressed their strengths, weaknesses ,opportunities and threats. They found the remedies to overcome of it.

ATHARVA EDUCATIONAL TRUST'S ATHARVA COLLEGE OF ENGINEERING

(Approved by AICTE, Recognized by Government of Maharashtra
& Affiliated to University of Mumbai - Estd. 1999 - 2000)

18/3/2021 Thursday 1:00 TO 2:00 PM Induction students 97.

Competition and Cooperation

The Full Story of Tortoise and Rabbit

What is the purpose of competitions? What sort of competitions should be conducted? You should know your potential. Lesson we learn is that every person has unique talents, and unique strengths. Every person has their interests/passions. Therefore, choose your vocation based on your talent and interest and then develop it, not to compete against others, but to achieve excellence. Everyone has potential for excellence in some area.

19/3/ 2021 FRIDAY INDUCTION 1:00 to 2:00 students-93

Competition and Excellenc

ATHARVA EDUCATIONAL TRUST'S ATHARVA COLLEGE OF ENGINEERING

(Approved by AICTE, Recognized by Government of Maharashtra
& Affiliated to University of Mumbai - Estd. 1999 - 2000)

What is competition & excellence?

Get students to give answers to this question in the class.

Issues in comparison Issue Competition Excellence

Comparison: Compare with others Compare with yourself

Goal: Do better than others (relative) To do the task well (absolute)

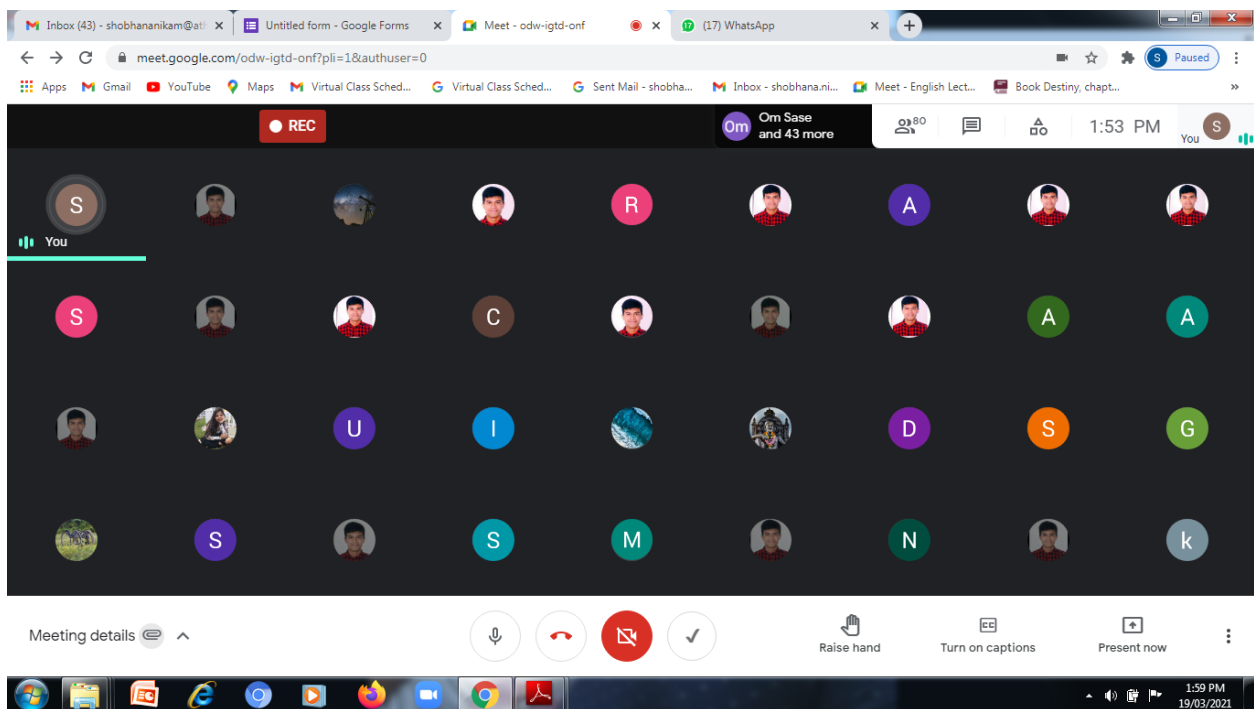

Ex.: How many people can come first? How many people can get 100
out of 100 marks?

Evaluation: Rank in group Task specific performance

Inner State: (while doing) Tension, jealousy Persevering

Inner state: (on completion) Dejection, elation

(Elation is short lived unless we like the task)

INDUCTION LECTURE 25/3/2021 1:00 PM TO 2:00 PM STUDENTS-104

Peer Pressure

Peer Pressure – Some Basics:

Peer: A “PEER” is someone in your own age group.

Peer group: Persons of equal rank / quality/ worth

Pressure: “Pressure” is the ‘Feeling’ that you are being pushed toward making a certain choice — good or bad.

ATHARVA EDUCATIONAL TRUST'S ATHARVA COLLEGE OF ENGINEERING

(Approved by AICTE, Recognized by Government of Maharashtra
& Affiliated to University of Mumbai - Estd. 1999 - 2000)

Definition of P/P: 'Peer Pressure' on a person is the influence of a 'Peer Group' that encourages to change the person's attitudes, values, behaviours or action to conform to the 'Peer Group'.

A few more statements on Peer Pressure:

- Peers influence your life, even if you don't realize it, just by spending time with your peer group. You learn from them, and they learn from you.
- Peers play a large role in the social and emotional development of children and adolescents. Their influence begins at an early age and increases through the teenage.
- Responding to 'peer pressure' is part of human nature — but some people are more likely to give in, and others are better able to resist and stand their ground.
- Peer pressure is NOT always Negative. But the goal is to be Self organized.

The screenshot displays a Google Meet session in progress. The top navigation bar shows the meeting URL and various controls like 'Paused' and '1:50 PM'. The main area is a grid of participant avatars and names, including 'You', 'Priyanshu Ma...', 'ADITYA PISE', 'Mitesh Jethva', 'SIDDHARTH T...', 'Nupur Bhalekar', 'ASHRITHA KO...', 'SHRUTI JAGT...', 'Priyanshu Singh', 'jay gajora', 'Keval Rathod', 'SAHIL WARAD...', 'Aayush Wagh...', 'Aniket Sharma', 'AMEER SHAL...', 'Shruti Balekar', and 'Gautam Suvar...'. A chat window from 'VANSHIKA UBALE' is visible, containing the text: 'Just be confident about our self... Don't get influence by someone else'. The bottom toolbar includes icons for 'Meeting details', 'Microphone', 'Video', 'Chat', 'Raise hand', 'Turn on captions', and 'Present now'. The Windows taskbar at the bottom shows several open browser tabs and the system clock at 1:50 PM on 26/03/2021.

ATHARVA EDUCATIONAL TRUST'S
ATHARVA COLLEGE OF ENGINEERING

(Approved by AICTE, Recognized by Government of Maharashtra
& Affiliated to University of Mumbai - Estd. 1999 - 2000)

INDUCTION 26/3/2021 1:00 to 2:00 pm 97 students.

Self Confidence

There are TWO kinds of 'Self Confidence':

- Relative Self Confidence
- Absolute Self Confidence

Peer Pressure, Self Confidence and Knowledge

Relative Self Confidence is the cause of Peer Pressure. Thus the 'Solution' to get over 'Peer Pressure' is to 'Acquire Absolute Self-Confidence'.

Absolute Self-Confidence comes from Verification and Understanding of things on one's Own Right (by one's Natural Acceptance).

Something which is understood through verification is called Knowledge (Truth), otherwise it is termed as 'A Belief'.

Thus 'Lack of Truth' is the 'Root-Cause' of 'Relative Self Confidence', which manifests as 'Peer Pressure'.

ATHARVA EDUCATIONAL TRUST'S ATHARVA COLLEGE OF ENGINEERING
