Department of Electronics & Telecommunication

Report on Guest Lecture on Career Opportunities in public service

Dated : 24/1/2018

Organised by : EXTC Department.

Time : 10 am TO 12 pm

Venue : R8,Phase 1, Atharva College of Engineering, Atharva Education complex , Malad Marve Road , Charkop Naka , Malad (W), Mumbai 400095

About the Guest lecture :

The guest lecture was conducted by Pranav Nerulkar. Public Service is the most authoritative and widely used website for finding jobs, career advice, and information on degrees in public service and public affairs. It is sponsored by the three most prominent organizations in professional public service and education. In serving the public good, the sectors are interrelated, and career paths often travel between them and range across international lines. With so much terrain, career choices are vast. Typically, public service careers require at least a bachelor's degree. The students were informed about various opportunities available in public service. Also the syllabus included in the exams were discussed. Students were informed about specific requirements for the openings

No. of participants: 76
