

# ATHARVA EDUCATIONAL TRUST'S ATHARVA COLLEGE OF ENGINEERING

(Approved by AICTE, Recognized by Government of Maharashtra  
& Affiliated to University of Mumbai - Estd. 1999 - 2000)

Department of Humanities and Applied Sciences

## Guest Lecture in Applied Physics

**Topic:** Application of Physics in Engineering

**Date:** Oct 17, 2017.

**Time:** 10:00am- 12:00pm

**Venue:** Presentation Hall, 4th Floor, Phase 1.

**Speaker:-**Dr. Milind Kulkarni.

**About the Guest Lecture:**

For the first year of engineering students the Guest lecture on topic of Applied Physics was conducted by HAS department. The aim of organizing the guest lecture was to motivate students to understand the applications of physics in day to day life, so that they can relate to the language of Physics.

The Guest lecture helped students to bridge the gap between the basic thinking world and the application world.
