

ATHARVA EDUCATIONAL TRUST'S ATHARVA COLLEGE OF ENGINEERING

(Approved by AICTE, Recognized by Government of Maharashtra
& Affiliated to University of Mumbai - Estd. 1999 - 2000)

IUCEE ACE Gurukul

Abstract: Objective of IUCEE ACE is to trained the faculty and enhance the quality of education in various discipline. Such ecosystem has been build by workshop, seminars and live IUCEE academy webinars, Expert around the world offer insight how to improve and transform engineering education.

Introduction:

IUCEE-ACE is a centre for improving quality of engineering education; an ecosystem has been built with the help of global expert from around the word. This ecosystem includes face-to-face workshops, Seminar, Live IUCEE virtual academy webinars, networking opportunities between engineering educators across the country. ACE organize various disciplinary program for Faculty members and students, so that faculty members adapt the tools and technology. Also this year ACE has initiated the IUCEE-SCALE platform for cultivating and enhancing quality among the student.

Activities 2018-19:

- Faculty Conclave on **“Effective Teaching Pedagogies Utilization and Measurement”** at Atharva College of Engineering on 17th& 18thSeptember, 2018.

Inspired by the grand success of the faculty conclave of previous year, the IUCEE Gurukul Team have taken further step to conduct faculty conclave on “Effective Teaching Pedagogies Utilization and Measurement”.

Conclave Session consisting of

- Presentation Skill and Active learning by **Dr. Sameer Sahasrabudhe (IITB)**

ATHARVA EDUCATIONAL TRUST'S
ATHARVA COLLEGE OF ENGINEERING

(Approved by AICTE, Recognized by Government of Maharashtra
& Affiliated to University of Mumbai - Estd. 1999 - 2000)

- Flipped Classroom, Think Pair Share, Video Lecture Preparation by **Prof. Poonam Deshpande** Teaching Learning Through

- Course Networking by **Prof. Mahendra Patil**

IUCEE - SCALE

Regional Student Workshop (RSW) on "21st Century Grand Challenges" on 27th to 29th Sep 2018 in ACE

The Aim of the Workshop was to spur us students into thinking and focusing on how we could work together and accelerate the process of improving the quality of engineering education and research in India.

Track 1: Energy

Track 2: Infrastructure

Track 3: Advanced Learning

FACILITATORS

The Facilitator team consisted of three experienced members of IUCEE SCALE

Ms. Anku Rani, Mentor, Sangli

Ms. Rageshwari Govender, Facilitator, Rajkot

Ms. Tejashree K, Mentor, Hyderabad

ATHARVA EDUCATIONAL TRUST'S
ATHARVA COLLEGE OF ENGINEERING

**(Approved by AICTE, Recognized by Government of Maharashtra
& Affiliated to University of Mumbai - Estd. 1999 - 2000)**

Summary:

ACE is IUCEE Consortium members since 2013 and most active member to participate in various activity which are held under the IUCEE and IUCEE-ACE. IUCEE-ACE believe in improving quality of engineering education, and technology which are adapt globally.

IUCEE ACE Coordinators:

Prof. Kishor Bhosale (ETRX)
Prof. Priyanka Sharma (ELEC)
