Speakers: Kiran Roy

Purav Bhardwaj

Abilash Nair

Eshant Sah

The CSI Atharva committee organized a workshop on “Introduction to Linux” on the 18th and 25th March,2017 for the students of the college. The aim of this workshop was to introduce the first year students to the world of open source softwares. The participants had hands on experience with using the Linux OS.

The topics that were covered in this 2 day workshop were-

- What are open source softwares?
- Linux and its history
- Installation of Linux OS
- Dual booting Linux
- Linux File Directory
- Architecture of Linux Kernel
- Basic Linux commands on Terminal -ls, cat, man, grep, sed etc
- Bash scripting

The workshop was a huge success and it achieved its objective of familiarizing students to the Linux OS. A MCQ Quiz was conducted for the students for helping them understand the topic better. After the workshop, the participants were awarded participation certificates and feedback forms were collected for future workshops.
