Department of Humanities and Applied Sciences

Report

Topic- Mini Project Exhibition on Engineering Mechanics

Vision - Giving an opportunity for the students to exhibit their technical intellect and creativity.

Humanities and Applied Science Department has organized mini project Exhibition on Project Based Learning of Engineering Mechanics on 8/11/2019. Mr. Girish Bawadecha, the industry expert, inaugurated the exhibition in the presence of Principal Dr. S. P. Kallurkar, Vice Principal Jyoti Mali and HOD Dr. Ritu Sharma.

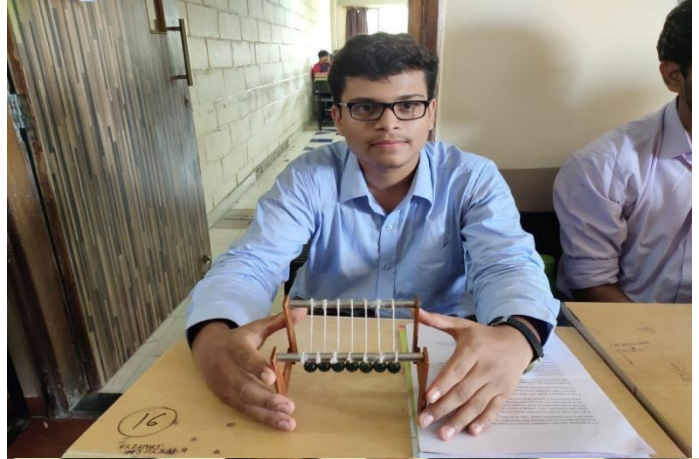

The objective of this event was to give basic idea of mini project to FE students and motivate them to solve and implement predefined practical problems. Students were asked basic questions related to their project which is part of Project Based Learning, which is initiated by motivation of Principal. Students developed attributes like team work, practical approach and was able to use their academic knowledge for practical purpose which will definitely help them in future.
