Dated : 27th February 2016

Organised by : EXTC Department

Time : 9.30 am to 4.00 pm

Speaker's Name: Dr. S.S Rathod

Venue : 4th floor Seminar Hall, Phase 3 , Atharva Education complex , Malad Marve Road , Charkop Naka , Malad (W), Mumbai 400095

Coordinators : Mahalaxmi Palinje / Sweta Jha

Department of Electronics & Telecommunication is very much thankful to Honorable President, Shri Sunil Rane for his kind permission & inspiration to organized a one day workshop on 'NBA Accreditation'. Thanks to Dr. P. N. Nemade, Director, Atharva College of Engineering, Dr. S. P. Kallurkar, Principal, Atharva College of Engineering, for their continuous support & motivation. The Participants of the workshop were all the Head of Departments and faculty members Prof. Jyoti Kolap organised the workshop. The invited speaker was Dr. Rathod, Professor, Dept. of Electronics Engineering, SPIT, Mumbai.

About the workshop:

The workshop was conducted to gain knowledge about NBA Accreditation procedure. It aimed towards spreading the awareness about significance and need for Accreditation of Engineering Colleges. This workshop demonstrated knowledge and Steps involved in the process of accreditation. It was a training program for faculties to understand the criterias, parameters and their weightages for Accreditation. A fruitful and interaction session between the faculty and the speaker made the whole one day workshop more interesting.

Objective:

On completion of the workshop the participants were able to:

- 1) Understand the need and importance for accreditation
- 2) Comprehend the steps involved in the process of accreditation
- 3) Understand the documentation process needed for accreditation
- 4) Develop a Plan for institutional development

Outcome:

Enrichment in the competencies required for planning for institutional development and obtaining accreditation
