

# **Hands on**

## **Workshop on R language**

Date: 22nd March, 2017.

Time: 9am- 4pm

Venue: CC Lab, 5th Floor.

Department of Information Technology has organized one day hands on workshop on R language on 22<sup>nd</sup> Mar 2017. R is the only programming language that allows statisticians to perform the most complicated and intricate analyses without getting into too much of details. With so many benefits for data science, R has gradually mounted heights among professionals of big data. According to a 2016 survey, R is one of the most powerful and popular programming languages used by data scientists today. With the zest to have industry academic alliance and to bridge the gap between academics and industry it is necessary to introduce such demanded languages for students as a looking beyond syllabus programs. 107 students have registered for the workshop. Feedback for the workshop was phenomenal and students have demanded for more such workshops.

Workshop Details:

Speaker	Topic
Prof. Nileema Pathak	Introduction to R
Prof. Sachin Gavhane	Visualisation
Prof. Amruta Pokhare	Data Structures
Prof. Aruna Pavate	File Handling / Dataset
