QUANTITATIVE APTITUDE WORKSHOP

Date: 29th and 31st August, 2016.

Time: 10am-3pm

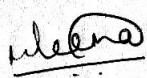

Venue: R21, 4th Floor, Phase 1.

Speaker: Prof. Bipin Gupta, TIME Institute

The CSI Atharva- Student Chapter organized a two day workshop on Quantitative Aptitude for the final year students of all branches of the college on 29th and 31st August 2016. The students were given information about frequently asked questions in aptitude exams conducted by different companies. The speaker taught some shortcuts/tricks for some complex calculations.

On day 1, the speaker covered the topics on Quantitative ability like Time and Distance, Averages, Profit and Loss, etc. The speaker covered different variations of questions in a particular topic that are frequently asked. On day 2, the speaker covered the topics on Logical Reasoning like Blood Relations, Calendar, Series, Seating Arrangements, etc.

The students were benefited by the approach and shortcuts used by the speaker to solve a problem and also got their doubts cleared regarding a particular topic. The workshop received an overall positive response from the attendees and was termed as helpful in their campus placement preparations.
