IDEA VENTURE

Date-27th September, 2019

Time- 3pm to 6pm

Speaker-Mr.Chintan Parekh

Along with our host Mr.Chintan Parekh and our co-hosts Ms.Shruti Ambavade and Mst.Rohith Thilakan our session had a great start.We started our session by briefing and explaining certain rules and regulation about the session.The main aim of the session was to imbibe creative skills, technical and non-technical knowledge about the work they are doing and develop advertising and marketing skills. The topics given for the model were 3 main elements- Air, Fire & Water. All the POLites were given a time of 1 hour for creating a model based on these three elements.Team RACHH was declared as the winning team of the session. They prepared a power bank which gets charged on water turbine.

GROUP DISCUSSION

Date-11th October,2019

Time- 12pm to 3pm

The session was done in the collaboration of IEEE committee. The session was divided in three parts viz **Group Discussion (GD)**, **Debate**, **Personal Interview(PI)**. The topics of GD were given by our respective judges and the discussion started among the candidates. Points were given to each candidate by respective judges and top 15 candidates were selected for the next round of Debate. Two teams were created among the candidates for debate session. Candidates with highest points were selected for the Personal interview. At last the candidate with highest points was awarded with the token of appreciation and certificate of IEEE committee.
