Department of Humanities and Applied Sciences

A Report of Lectures conducted on Waste Management

27 February 2021:

A special Induction Lecture for First Year Engineering students was organized through Google meet on 27 February 2021 during 11:00 am to 2:00 pm in two batches. Prof. Sameer introduced the Speaker of the Program to all the participants.. The Speaker of the program was Mr. Shrikant Parab. He is the Director of Asia Affairs at DGHI USA. The prime focus of the lecture was to create awareness among the students and educating them on segregation and disposal of waste at source. 250 Students along with 10 Faculty members attended the program.
