REPORT ON INDUSTRIAL VISIT

Industrial Visit to Goa (SE EXTC)

Date: 11 th Feb-15th Feb 2019

Department of Electronics and Telecommunication organized **Industrial Visit** for second year students to Goa and they visited the industry “**Crompton Greaves limited, Kundaim Industrial Estate, Ponda, Goa- 403 115**”

As one of the world`s leading engineering corporations, **Crompton Greaves limited** provides end-to-end solutions, helping its customers use electrical power effectively and increase industrial productivity with sustainability. CG was established in 1937 in India; and, since then the Company has been a pioneer and has retained its leadership position in the management and application of electrical energy. Their unique and diverse portfolio ranges from transformers, switchgear, circuit breakers, network protection & control gear, project engineering, HT and LT motors, drives, Power Automation Products and turnkey solutions in all these areas; thus enhancing the many aspects of industrial and personal life. This portfolio has been structured into 2 SBUs - Power Systems and Industrial Systems.

Students could gain insights of the following:-

- Manufacturing of transformers, switchgear, circuit breakers, vacuum interrupters, network protection & control gear, fans, etc.
- Manufacturing of different fans was shown step by step and the machineries used were explained in detail.
- Along with this, the supplying of those materials to the end customers and packing were shown.
- The safety parameters for such environment were explained and taken care of.
- Total 65 students for SE EXTC have attended this industry visit.
