Department of Electronics & Telecommunication Engineering

Report on

“EXTC Second Year Student Orientation”

Dated : 8th July 2019

Organised By: EXTC Department

Venue: EXTC department, Atharva College of Engineering, Atharva Educational Complex, MaladMarve Road, Charkop Naka, Malad(W), Mumbai 400095

Coordinators: Prof.Mahalaxmi Palinje, Prof. Joslyn Gracias

Summary:

The major objective of the program was to make students aware of the academic aspects of the course, department activities, laboratories and overview of the semester subjects.

The program began with a warm welcome speech by Prof. Jyoti Kolap, HOD of EXTC in the presence of other department faculties.

The students were encouraged to focus on the research, innovations and entrepreneurship. Alongside students were enriched with the scope of employment in the industry with the essentials for placements and the earnest need to start preparation early.

Necessary information about the academic design was imparted to the students preparing them to meet the challenges of collegiate academics.

Interactive session with seniors helped the students to acclimate to the core department environment and relieved many students' anxieties.
