Parents Teacher Meet Report

Electronics & Telecommunication Department of Engineering has organized Individual Parent- Teacher meetings for SE Students in the academic year 2021-22. **The second Parent- Teacher Meeting was conducted for SE (ET1& ET2) on 10th December 2021 (Friday), from 6:00pm to 7:00pm using virtual meeting tool Google meet.**

All the mentors called their mentees to have interaction with them along with their parents. This meeting was a valuable chance for the parents to interact with mentors/ class teachers and know about the academic, behavioral well-being of their ward amidst the coronavirus pandemic and to clarify any related questions or concerns about exams. It was a great session between the teachers and the parents where they exchanged valuable suggestions. I/C HOD Prof. Mahalaxmi Palinje mam's guidelines were really helpful. Parents were quite happy and excited about the PTM as they got the chance to know about online academic activity happening in the wake of the pandemic.

This report is prepared based on the basis of feedback given by parents.

Class	SE
No of parents attended	71

15. Give Overall rating for the syllabus:

71 responses

16. Give Suggestions to improve the syllabus.

33 responses

No suggestion

None

Reduce it because only three months are very short period.

Practical more theory should be less

Practical study and knowledge should be more

The overall syllabus is very informative and interesting so there is nothing to improve

Should be a bit more practical

notes can be made more better and time saving. Focusing on more important points will help in learning more easy.

In Maths please change the way of teaching and take weekly tests of each subjects

17. Any other suggestion:

71 responses

Good

improve skill lab

None

No. Thankyou

Reduce syllabus our extend months for sem.

None.

/

That pool one only

Nope 😊
