& Affiliated to University of Mumbai - Estd. 1999 - 2000)

Department of Electrical Engineering
Academic Year 2018-2019

Virtual Lecture on "Recent Trends in Wind Energy System"

Subject-Renewable Energy and Energy Storage System

Date: 19/10/2018 (Friday)

Time: 09:30 am to 11:30 am

Place: Presentation Seminar Hall, Fourth Floor, Phase I, ACE

Name of the Speaker: Prof. Jaydeep. P. Shah, K.K Wagh COE, Nashik.

A **virtual lecture** on the topic **"Recent trends in Wind Energy System**" by **Prof. Jaydeep. P. Shah, K.K Wagh COE, Nashik** was organized by **Electrical Engineering Department** dated **19th October 2018** from **09:30 am to 11:30 am** for **T.E and B.E students**. The concerned faculty was **Prof. Shreyashi De, ELEC, ACE, Malad**.

The virtual lecture conducted was very interesting and cleared the concepts related to the subject in more animated way, also gave an idea for the future scope in the field of Renewable Energy.

This Virtual Classroom facility is meant to bridge the physical distance between teachers and students who are at different physical locations. Atharva Virtual Classroom is capable of transmitting and receiving interactive high-definition video classes across the globe through internet.

There was a question-answer session at the end in which students participated, raised their doubts and discussed virtually through Skype.
