QUANTITATIVE APTITUDE

Date: 19th & 20th July 2018.
Time: 10am - 4pm
Venue: Day 1- R12, 3rd Floor
Day 2-R21, 4th Floor
Speaker: Prashant Chandanshive.

The CSI Atharva Committee in association with INFT organized Quantitative Aptitude workshop for Final year students on 19th & 20th July 2018. The workshop was conducted for the students of all the branches. The students were given information about frequently asked questions in aptitude exams conducted by different companies. The cut-offs of various companies were discussed. The speaker taught some shortcuts/tricks for some complex calculations. Various questions and queries were solved.

On day 1, the speaker covered the topics on Quantitative ability like Time and Distance, Averages, Profit and Loss, etc. The speaker covered different variations of questions in a particular topic that are frequently asked. On day 2, the speaker covered the topics on Logical Reasoning like Blood Relations, Calendar, Series, Seating Arrangements, etc.

The students were benefited by the approach and shortcuts used by the speaker to solve a problem and also got their doubts cleared regarding a particular topic.
