Details of the Speaker:

Sr. No.	Name of the Speaker	Designation	Session	Audience	Venue
1	Prof. Awab Habib fakih	Asst. prof. Anjuman Islam Kalsekar Technical Campus	2pm to 4pm	TE Students	Presentation hall, Phase 1, ACE Atharva College of Engineering

Details of the Guest lecture:

The Guest lecture was organized on the topic "Exploring Project ideas" especially for TE students to make them aware of the various domains in which they can work for their final year projects.
The speaker of the session was **Prof. Awab Habib Fahik, PhD Research scholar (VTU).**

The session was on Idea generation for the projects taking into consideration what is the actual need of the projects, whether the project idea lead to simplifying things that already exist etc..

The speaker also guided the students on how to carry out the process to make the idea of the project into actual product in the market.
